

answer the call for help ...

donate used cell phones

Help others in need and
be kind to the environment!

Proceeds support the YWCA of Greater
Lawrence's Violence Prevention
Programs, which provide emergency
services to women and children and which
offer schools, companies and the public
preventive education programs.

All cell phones and batteries are
accepted; accessories not needed.

Phones are shipped at no cost to the YWCA
to a remanufacturer, which contributes a
proceed for each phone. Your phone is
re-cycled and the proceeds support
important local programs. Thank You!

for more information contact:
Andy Polanco at the YWCA
